2019

Matara Central College - Matara

## PROJECTS

### 1. Personal Portfolio

- Personal portfolio showcasing projects and skills with responsive design.
- Tech: React.js + TypeScript, Tailwind CSS
- GitHub Repository: <https://github.com/misharasandalidesilva/My-React-Porfolio.git>

### 2. Online Library System – Web Application

- Full-stack MERN app for managing books, readers, and lending.
- Features: CRUD operations, dashboards, overdue notifications with email reminders.
- Tech: Node.js, Express.js, React.js, MongoDB
- GitHub Repository: <https://github.com/misharasandalidesilva/Online-Library-System-FE.git>

### 3. To-Do Mobile App

- A simple To-Do List App allowing users to add, edit, delete tasks, and assign priority levels for better task management.
- Tech: React Native, TypeScript, Expo
- GitHub Repository: <https://github.com/misharasandalidesilva/AMD-Final-project.git>

#### **4. Medical Channeling Center - Web Application**

- A web application for a private medical center with role-based functionality for Patients, Doctors, and Admins.
- Tech: Spring Boot (Backend), HTML, CSS, JavaScript (Frontend)
- GitHub Repository: [https://github.com/misharasandalidesilva/Medical\\_Channeling\\_Center\\_FE.git](https://github.com/misharasandalidesilva/Medical_Channeling_Center_FE.git)
- GitHub Repository: <https://github.com/misharasandalidesilva/Medical-Channeling-Center.git>

#### **5. Recipe Website**

- A simple web application for exploring and sharing recipes, developed using HTML, CSS, and JavaScript. Users can browse recipes, view ingredients and steps, and enjoy a clean, responsive design.
  - Tech: HTML, CSS, JavaScript
  - Features: Browse recipes, view details, responsive layout
  - GitHub: <https://github.com/misharasandalidesilva/Recipe-Website.git>
- 

### **ADDITIONAL INFORMATION**

- Languages: Sinhala-(Native), English
  - Soft Skills: Teamwork, Problem-solving, Communication
-
